- 26) Prevailing safety norms has to be followed by the successful Tenderer during execution of the work so that LTI (Loss of time due to injury) is zero.
- 27) The eligibility of a Tenderer will be ascertained on the basis of the documents submitted by a Tenderer in support of eligibility criteria. If any document submitted by a Tenderer is either incorrect / manufactured / fabricated or false, his Tender will be outrightly rejected at any stage and legal action will be taken against him.
- 28) Any other tax or cess will be borne by the agency (if applicable).
- 29) Hard copy of all documents should be verified by the concerned pt. of this Municipality at the time Pre bid meeting/Pre Tender meeting before submission of tender through online and same will be uploaded by the intending contractor.

Instructions/guidance to the contractors for e-tendering:-

- 1) Intending tenderers desirous of participating in the tender are to log on to the Website <https://wbttenders.gov.in>. The tender can be searched by typing the First Four Letters in the search engine provided in the website.
- 2) Tenders are to be submitted online and intending tenderers are to download the tender documents from the website given above, directly with the help of the e-Token provided. This is the only mode of collection of tender documents.
- 3) Any contractor can submit tenders for any works published in any particular NIT, depending on his credential and financial capability, each tenderer may apply maximum in two no Works.

General process of submission : Tenders are to be submitted online through the website stated in Clause 1. All the documents uploaded by the Tender Inviting Authority form an integral part of the contract. Tenderers are required to upload all the tender documents along with the other documents, as asked for in the tender, through the above website within the stipulated date and time as given in the Tender. Tenders are to be submitted in two folders at a time for each work, one is Technical Proposal and the other is Financial Proposal. The tenderer shall carefully go through the documents and prepare the required documents and upload the scanned documents of originals in Portable Document Format (PDF) to the portal in the designated locations of Technical Bid. He needs to fill up the rates of items/percentage in the BOQ, downloaded for the work, in the designated Cell and upload the same in designated location of Financial Bid. The documents uploaded are virus scanned and digitally signed using the Digital Signature Certificate (DSC). Tenderers should specially take note of all the addendum/corrigendum related to the tender till the bid submission ends. Tenderers should in general upload the latest documents as part of the tender, however, in case of failure in uploading such documents, it will be deemed that they (tenderers) have taken note of such latest documents including addendum/corrigendum, if published till the bid submission ends.
